BASKETBALL OPERATIONS

SAM PRESTI

EXECUTIVE VICE PRESIDENT & GENERAL MANAGER

Sam Presti is set to enter his 12th season with the Oklahoma City Thunder after being named the 11th General Manager in club history on June 7, 2007 at 29 years old. A year into his tenure with the Thunder, Presti was promoted to Executive Vice President and General Manager by Professional Basketball Club Chairman, Clayton I. Bennett.

During his 12-plus seasons with the Thunder, Presti has worked diligently to assemble the building blocks for long term success both on and off the court. Dating back to the Thunder's first season in Oklahoma City, Presti and his staff have watched the Thunder amass the second-best record in the NBA during this span (behind only San Antonio).

When hired to oversee the Thunder's basketball operations in 2007, Presti became the second youngest general manager in NBA history. Entering the 2018-19 season, Presti is currently the 4th youngest general manager in the NBA and the 8th longest tenured.

Under Presti's guidance, the Thunder has captured five Northwest Division Championships and reached the Conference Finals on four occasions, including the team's trip to the NBA Finals in 2012. After finishing the 2017-18 season with a record of 48-34, the Thunder is now just one of two teams (San Antonio) to finish each of the last nine seasons with an above .500 record.

Throughout his tenure, Presti has led with consistent philosophies and values, but has used a diversity of roster building techniques to sustain several cycles of the Thunder. During his time leading the Thunder's basketball operations efforts, Presti and his staff have enjoyed success with respect to the NBA Draft, beginning with the 2007 selection of Kevin Durant with the 2nd overall pick. Presti went on to draft Russell Westbrook and Serge Ibaka in 2008 with the 4th and 24th selections, respectively before taking James Harden with the 3rd overall pick in 2009. Other notable draft selections for Presti include Reggie Jackson with 24th pick in 2011 and the 2013 draft, where he selected franchise cornerstones in Steven Adams with the 12th overall pick and Andre Roberson with the 24th selection.

After acquiring five-time All-Star Paul George in a landmark trade from the Indiana Pacers in June of 2017, George committed long term to the Thunder by signing a multi-year contract extension this past summer. This occurred just prior to the Thunder signing Westbrook in September of 2017 to his third multi-year contract extension with the team.

Under Presti's guidance, the Thunder advanced to the postseason in eight of the last nine seasons including five straight years (2010-2014) and at the conclusion 2012-13 season, Oklahoma City became just the second team in NBA history (Boston Celtics; 1955-1960) to increase its winning percentage for five consecutive seasons (while maintaining a winning percentage of .700 or better in two of those seasons).

Dating back to the 2011-12 season, the Thunder became Western Conference Champions on the heels of the 2010-11 season in which the Thunder became the youngest team in the prior quarter century to reach the NBA's Western Conference Finals.

During the 2009-10 season, Oklahoma City experienced one of the largest turnarounds in NBA history. A year after winning 23 games, the Thunder concluded the 2009-10 season with a 50-32 record (.610) and captured the franchise's first playoff berth in Oklahoma City. The 27-win improvement was tied for the eighth largest improvement in NBA history. Presti was named NBA Executive of the Year by The Sporting News at the conclusion of the season.

Since moving to Oklahoma City in July of 2008, Presti has stressed the importance of community involvement for both Thunder players and staff. Under his leadership, Thunder players have made more than 2,400 community appearances in and around Oklahoma City. Presti has also made it policy for every new player and staff member to tour the Oklahoma City Memorial and Museum soon after joining the organization.

At the request of former NBA Commissioner David Stern and then Deputy Commissioner Adam Silver, Presti was named to the league's first ever Competition Committee in May of 2012. During his term, which recently concluded just prior to the 2018-19 season, Presti was a part of the committee that enacted several rule changes, such as concussion protocol, a package of rules to increase game flow, player rest policies, anti-flopping rules, deliberate away from the play fouls, modifications to playoff seeding, qualification and tie-breakers, and adjustments to the NBA Finals scheduling format. Additionally, Presti was asked to serve on the NBA's Instant Replay Committee in 2009, which helped to lay the groundwork for rules changes that the Competition Committee would later make regarding instant replay expansion and the expanded use of the replay center. This past summer Presti was requested to join the newly formed General Manager Sub-Committee which was designed to help identify opportunities to enhance the future of the NBA.

Prior to joining the Thunder, Presti held a variety of roles with the San Antonio Spurs. After starting in 2000 as a video intern for Gregg Popovich, Presti moved up through the front office ranks in San Antonio under the leadership of R.C. Buford before being elevated to the position of Vice President and Assistant General Manager. As a member of the Spurs, Presti was part of NBA Championship teams in 2003, 2005 and 2007, as well as five division titles.

Presti earned his bachelor's degree in 2000 in communications, politics and law and a minor in psychology from Emerson College in Boston, where he was the first Rhodes Scholar nominee in school history. The Concord, Mass. native served as team captain of the Emerson College basketball team during both his junior and senior seasons. In addition, Presti earned All-Academic honors two times and was twice selected to the Great Northeast Athletic Conference All-Tournament team.

He was honored with the Emerson College Young Alumnus Award in 2005. Presti has also completed Harvard University's Continuing Education program on leadership and decision making.

Presti currently resides on the executive board of the Oklahoma City National Memorial and served as chairman of the Oklahoma Standard campaign, a movement built on the foundation of resilience, compassion, consistent acts of honor, service and kindness.

Consistent with his organizational commitment to community involvement, Presti has been equally supportive of several worthy causes in his personal life. BILLY DONOVAN

HEAD COACH

Entering his fourth season with the club, Billy Donovan has guided Oklahoma City to three straight playoff appearances and a 150-96 (.610) record. He became the first NBA head coach to win 100-plus games in his first two seasons after coming directly from the college ranks. Moreover, Donovan is one of only three current NBA head coaches to win 100+ games in the first two seasons with their respective teams. Last season, Donovan helped lead the Thunder to a 48-win season and a four seed in the Western Conference playoffs.

Donovan concluded his first year as head coach of the Thunder by leading the team to a 55-win season, a Northwest Division title and a spot in the Western Conference Finals. By accomplishing the feat, Donovan became just the third first year head coach in the last 15 years to win 55+ games during his first season.

Donovan was named the third head coach in Thunder history on April 30, 2105 after enjoying an incredibly successful college coaching career that spanned more than two decades.

During the previous 19 years as head coach at the University of Florida, Donovan led the Gators to two National Championships and four trips to the Final Four while amassing a record of 467-186 (.715).

During his tenure at Florida, Donovan led the program to 16 straight 20-win seasons, three 30-win seasons, 17 consecutive trips to the postseason and six SEC Championships. Under Donovan, Florida advanced to the Elite Eight in six of the past 10 seasons.

Donovan concluded his time at Florida with the second most wins for a SEC program (467) in the history of the conference. Additionally, his 35 NCAA tournament wins rank as the most all-time among SEC coaches. Donovan's win total is more than twice that of any other coach in Florida history.

After winning back-to-back national championships (2006 and 2007), Donovan led Florida to 18 straight postseason wins, the longest run for any program since John Wooden led UCLA to 28 straight postseason wins.

Donovan has been the recipient of numerous collegiate coaching awards including ESPN.com's National Coach of the Year (2001), the Wooden Award's "Legends of Coaching" Honor (2010) and SEC Coach of the Year (2011, 2013, 2014).

In addition to his responsibilities at Florida, Donovan has served as head coach of USA Basketball's U18 and U19 National Teams in each of the past three summers. As a head coach with USAB, Donovan's teams have captured three gold medals while going a perfect 19-0 during national team competition. Prior to leading the 2014 FIBA Americas U18 Team to the gold medal last summer in Colorado Springs, CO, Donovan guided the 2013 USA U19 World Championship Team to a perfect 9-0 record and the gold medal in Prague, Czech Republic, and the 2012 USA U18 National Team to a 5-0 slate and gold in Sao Sebastiáo do Paraiso, Brazil.

Donovan's coaching experience dates back to the 1989-90 season where he served as a graduate assistant coach at Kentucky. After five years with the Wildcats, Donovan was hired as head coach at Marshall, where he spent two years before leaving for Florida.

During the 2014-15 season, Donovan became the second youngest coach in NCAA history (Bob Knight) to claim 500 wins.

Prior to joining the coaching ranks, Donovan enjoyed a four-year playing career at Providence where he helped lead the Friars to their best season in school history and a trip to the Final Four in 1987. BLUE

The Oklahoma City Blue enters its 11th season as the Thunder's NBA G League affiliate. Originally purchased in 2008 by the Professional Basketball Club, LLC, the Thunder's development team played its first six seasons as the Tulsa 66ers before being relocated to Oklahoma City in 2014.

The Thunder has displayed a strong history of utilizing its G League affiliate and developing both players and staff. Since Oklahoma City entered a single-affiliate relationship before the 2008-09 season, the Thunder has assigned a player to its G League club 137 times – the most assignments by an NBA team during that span. Twenty-one different Thunder players have been assigned in the past nine seasons.

Oklahoma City has been active in "calling up" players from its G League affiliate. The Thunder has called up a player from this club on 13 occasions since 2008 – the most call-ups between associated teams in that stretch.

The Thunder has also utilized its G League team through developing NBA coaches. The past three coaches of this team have received "call-ups" to the NBA ranks. Darko Rajakovic (2012-14) is an assistant coach with Oklahoma City and Dale Osbourne (2011-12) and Nate Tibbets (2009-11) are both assistants with Portland. During the 2015-16 season, current Head Coach Mark Daigneault was elevated to the Thunder bench on Feb. 17 and the Blue finished the season playing under Assistant Coach Jarell Christian.

Throughout last season, Thunder guard Terrance Ferguson and center Dakari Johnson were assigned to the Blue, as the team made its third playoff appearance in four seasons. Ferguson was assigned for three games and averaged 14.7 points, 4.0 rebounds, 1.33 steals and 1.0 assist in 31.0 minutes per game. Johnson was on assignment for 10 games, averaging 23.3 points, 10.3 rebounds and 3.1 assists in 31.9 minutes per game.

The Blue will host 24 home games this upcoming season, with 22 games at the Cox Convention Center and two Field Trip Day games, one at the INTRUST Bank Arena in Wichita, Kansas and the other across the street at Chesapeake Energy Arena.

MARK DAIGNEAULT

HEAD COACH

Mark Daigneault (DAYG-nalt) enters his fifth season as head coach of the Oklahoma City Blue. During the 2017-18 campaign, the Blue made its third playoff appearance in four seasons with Daigneault at the helm after finishing the regular season at the top of the Midwest Division and ranking third in the Western Conference. The Blue wrapped up a franchise record-setting season in 2016-17, tallying a franchise-record 34 wins, finishing as the regular-season Western Conference Champions and advancing to the Western Conference Finals for the first time under Daigneault. In 2015-16, the Blue led the NBA G League in rebounding with 48.1 boards a game. Daigneault joined Billy Donovan's Thunder coaching staff midseason on Feb. 17 in place of Thunder assistant Maurice Cheeks, who was sidelined for six weeks due to hip surgery. Daigneault remained with the Thunder for the conclusion of the 2015-16 season and entirety of the Thunder's postseason campaign to the Western Conference Finals. In his first season at the helm of the Thunder's NBA G League team, Daigneault led the Blue to a 28-22 record and an appearance in the NBAGL Western Conference Semifinals. Under his watch the past four seasons, the Blue has seen eight players called up to NBA rosters (Semaj Christon, Dwight Buycks, Daniel Hamilton, Josh Huestis, Dakari Johnson and Reggie Williams) and seven Thunder players assigned (Semaj Christon, Terrance Ferguson, Josh Huestis, Grant Jerrett, Dakari Johnson, Mitch McGary and Cameron Payne). Daigneault came to Oklahoma City after spending his previous four years working under Donovan at the University of Florida, where he most recently held the position of Assistant to the Head Coach. Throughout his four years at Florida, the Gators totaled a record of 120-30 (.800), won three SEC titles and advanced to the Elite Eight each year. In his final season with UF (2013-14), the Gators became the first SEC team to go 18-0 in conference play and went on to win the SEC Championship and advance to the Final Four. RUMBLE'S STORY:

For hundreds of years the tale has been told around Native American campfires. A great herd of American bison was lost in the Arbuckle Mountains during a ferocious storm – the kind only Oklahoma can produce.

Hail fell and tornadoes spun all around the herd as they stampeded, trying to find their way down to the safety of the plains.

One lone bison stayed behind as he helped each of his friends escape down a treacherous ravine. Once all of his friends were safe he began his descent only to find his way blocked by fallen boulders.

Lost, he climbed to the tallest peak; left to face the storm alone and searching for a way down the mountain, he was struck by a bolt of lightning.

The bolt did not destroy him, but, by the power of the god of thunder, changed him. Suddenly, he walked on two legs like a man. He possessed amazing strength and agility – he could jump higher, run faster, think more clearly than any beast.

But because he was no longer just a bison – and yet not a man – he was alone.

With many sightings, the legend grew through the years, of a mighty bison, with remarkable powers, roaming the hills alone.

Not until a group of men who carried similar powers came to Oklahoma City did he find somewhere he belonged. These men also possessed the power to jump higher, run faster, and perform acrobatic dunks more spectacular than anyone in the land. They too carried the roar of Thunder every time they took to the court.

So he joined their team. And the new legend of Rumble was born.

BUSINESS OPERATIONS

DANNY BARTH

EXECUTIVE VICE PRESIDENT AND CHIEF ADMINISTRATIVE OFFICER

An NBA executive since 1997, Danny Barth has served in his current position of executive vice president and chief administrative officer of the Oklahoma City Thunder since the team's inaugural season in 2008. In this role, he oversees all aspects of the team's business operations, driving its emphasis on building community partnerships and creating a first-class fan experience.

After overseeing the moving of the franchise's business operations to Oklahoma City, Barth shifted his focus to the team's growth and development, including overseeing the remodeling of Chesapeake Energy Arena to not only meet NBA requirements, but also to provide a strong fan-focused environment. The facility upgrades, which were completed in 2013, included new hospitality areas, enhanced seating and sightlines, modernized common areas and concourses, and the team's permanent corporate office.

Under Barth's leadership, the Thunder has become regarded throughout the industry as a leader in sports business and a model for best practices. The Thunder currently ranks number one in the NBA's Net Promoter Score and overall game experience, and has been consistently the highest or runner-up for many years. Within its first five seasons, the team was recognized by ESPN The Magazine in its Ultimate Standings as the No. 1 professional sports franchise in North America and awarded Sports Team of the Year by the Sports Business Awards, presented by the Sports Business Journal. The national Make-A-Wish Foundation has honored the team with a Chris Greicius Celebrity Award, and Leadership Oklahoma has recognized the team with its Statewide Community Leadership Award.

Prior to his work with the Thunder, Barth served as interim president and CEO for two seasons with the Seattle Supersonics, having previously held positions as chief financial officer, vice president and controller for the team. He began his career with Price Waterhouse LLC, spending six years in the audit division in the corporation's Seattle and New York offices, where he specialized in retail and investment banking.

A graduate of Seattle University, Barth resides with his wife Julie and their two sons in Edmond.

BRIAN M. BYRNES

SENIOR VICE PRESIDENT, SALES AND MARKETING

Brian Byrnes joined the Thunder organization in April 2005 and developed and executed the strategic sales and marketing efforts to launch business operations in Oklahoma City in 2008. Byrnes' current responsibilities include oversight of revenue platforms including corporate partnerships, ticket sales, retention and operations; luxury suites, terrace lounges and unique inclusive experiences; game theatre, event planning and corporate hospitality; brand architecture and marketing disciplines.

Capitalizing on the unique platform of being Oklahoma's first permanent major-league sports team, Byrnes continues to foster programming that extends the reach of the Thunder brand to fans throughout the region. Initiatives such as Thunder Alley and the Thunder Rewards Zone make the game-day experience accessible to all Thunder fans visiting Chesapeake Energy Arena. Year-round, the Blue Alliance and Thunder Youth Basketball activities connect fans throughout Oklahoma, while the OG&E ThunderBolt brings an interactive Thunder experience to regional fairs and neighborhood celebrations. In 2018, the Thunder Launchpad, fueled by MidFirst Bank, opened as a platform for inspiring growth in computer science and providing a spotlight on the entrepreneurial ecosystem in Oklahoma.

Previously, Byrnes served as executive vice president of business operations for the NHL's Phoenix Coyotes, guiding the organization through an organizational rebranding in conjunction with a transition to a new venue. Prior to joining the Coyotes, Byrnes built nearly 10 years of experience with the NHL's Dallas Stars and MLB's Texas Rangers.

Byrnes is actively involved in the Thunder Cares Foundation, Allied Arts, Leadership Oklahoma City, Leadership Oklahoma, National Sports Forum, Greater Oklahoma City Chamber of Commerce and the Greater Oklahoma City Sports Consortium. A graduate of St. Mary's University in San Antonio, Byrnes and his wife Ashley reside with their three children in Edmond.

During her tenure, Berney has helped establish the Thunder as a leader in the Oklahoma City community and as a partner with nonprofits across the state. She oversees the many ongoing community outreach programs and events the Thunder runs, as well as the Thunder Cares Foundation, which focuses on building and refurbishing community basketball courts across Oklahoma.

Berney's professional background includes public relations and community relations positions in both the corporate and nonprofit sectors. Originally from California, Berney earned her B.A. in English from Oregon State University and her M.F.A. in Creative Writing from the University of Massachusetts at Amherst.

SCOTT LOFT

VICE PRESIDENT, TICKET SALES, RETENTION AND DATABASE OPERATIONS

Scott Loft is an industry veteran with more than 25 years of professional sports leadership experience in the National Football League, National Hockey League and National Basketball Association.

Loft joined the Thunder in 2010 after three seasons with the Miami Dolphins and is responsible for the Thunder's overall strategy and tactics for all ticket sales, retention, database operations and business intelligence including season ticket sales, group ticket sales, executive suites and Club Level memberships.

Loft's sports career started with the NBA's Philadelphia 76ers, where he spent nine seasons, culminating as the director of ticket sales. After his stint with the NBA, Loft became one of the first employees with the NHL's expansion Nashville Predators, where his ticket sales team became the first NHL or NBA franchise to qualify for expansion by selling more than 12,000 season tickets before the NHL franchise was awarded to the city of Nashville.

After five seasons in the NHL, Loft joined the NFL's Jacksonville Jaguars as executive director of ticket sales and marketing. Loft was chosen to be the Jaguars' sole attendee at the inaugural NFL Management Program at Stanford during the 2003 season, and his five years in Jacksonville were highlighted by the local oversight of the ticketing functions for Super Bowl XXXIX, which was played in Jacksonville in 2005. Loft then continued his NFL career with the Miami Dolphins, where he stayed until he joined the Thunder.

Prior to his career in sports, Loft received his undergraduate degree from Ball State University in Muncie, Indiana, and his master's degree from Temple University in Philadelphia. Loft currently lives in Edmond with his wife Cathy; their son, Josh, attends the University of Oklahoma.

DAN MAHONEY

VICE PRESIDENT, BROADCASTING AND CORPORATE COMMUNICATIONS

Dan Mahoney joined the Oklahoma City Thunder in August 2008. In his role of vice president of Broadcasting and Corporate Communications, he oversees the Thunder business public relations efforts, website (okcthunder.com), social media and broadcasting operations.

Previously Mahoney served as a public relations consultant for the Professional Basketball Club, LLC and the New Orleans Hornets. From 1995-2003 he was director of communications for Oklahoma Governor Frank Keating. He later worked with Gov. Keating as senior vice president of communications and public affairs at the American Council of Life Insurers in Washington, D.C.

Consulting with Gooden Group of Edmond, Okla., Mahoney coordinated public relations efforts for the Skirvin Hilton Hotel, a historic Oklahoma City landmark which reopened in 2007 after being closed for 18 years. He also assisted the Hornets during their relocation and two-year stay in Oklahoma City from 2005-07.

As director of communications for Gov. Keating, Mahoney was responsible for public information coordination for the State of Oklahoma and the Governor's office. That included public information efforts during the 1995 bombing of the Murrah Federal Building in Oklahoma City. Following that tragedy, he consulted for businesses and other government agencies on crisis communications.

Mahoney spent 18 years in radio and television as a news director, news reporter and sportscaster in Richmond, Va.; Albuquerque, N.M.; and Oklahoma City. He is a native of Philadelphia and attended Virginia Commonwealth University and the University of New Mexico.

Mahoney serves on the 25-year anniversary committee for the Oklahoma City National Memorial. He has two adult daughters who live in New York City.

Prior to joining the franchise, Semtner worked in human resources in the hospitality and nonprofit industries. She is certified as a Senior Professional in Human Resources and SHRM-SCP.

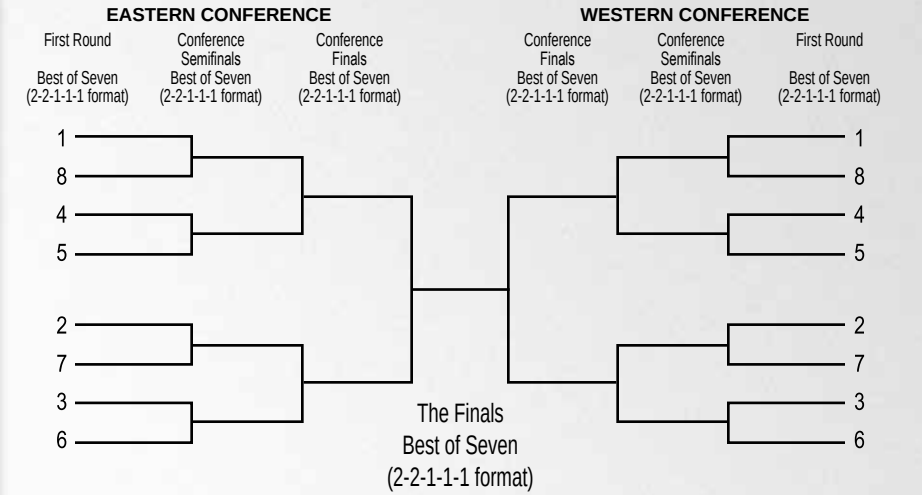
NBA PLAYOFF STRUCTURE/ATTENDANCE

2019 NBA PLAYOFF STRUCTURE



Eight teams from each conference qualify for the NBA Playoffs. The three division winners and the team with the next-best record from each conference will receive the top four seeds and will be ranked Nos. 1-4 according to their regular-season records. The remaining four teams in each conference will be seeded 5-8 according to their won-lost records. In each round of the playoffs, the team with the better regular-season won-lost record gets the home-court advantage.

All rounds of the playoffs are a best-of-seven series. Each best-of-seven series will play 2-2-1-1-1 format.

THUNDER ION

POWERED BY OU Medicine

The Oklahoma City Thunder began calling the Thunder ION home just prior to the start of the 2011-12 season. The 53,000 square foot state-of-the-art practice facility features two full-sized basketball courts, a 27-seat team classroom and a hydrotherapy area which was designed to benefit the Thunder's medical and training staff in the prevention and rehabilitation of injuries.

Funding for the construction of the practice facility and renovations to the team's Chesapeake Energy Arena comes from a one-cent sales tax approved by Oklahoma City voters on March 4, 2008. The 15-month tax took effect on January 1, 2009 and ran through March 31, 2010. As part of the lease agreement, the Thunder will make an annual rent payment to the City of Oklahoma City.

During the groundbreaking ceremony in August of 2009, Oklahoma City Mayor Mick Cornett commented, "Having the Thunder in Oklahoma City has been a tremendous sense of pride for our community. When the citizens of Oklahoma City passed the Big League City initiative to renovate the city's downtown arena and build an NBA-leading practice facility, we all looked forward to this day."
